1-10

The Chief Commissioner having ascertained that several instances occurred of the collection of revenue having been made from Ryots by distraint and sale of their lands and cattle, Commissioners of Divisions were requested to state whether this was done with their knowledge and concurrence; and to obtain from Deputy Commissioners and forward to this Office, as soon as possible, a List of all such sales held since the 14th August last, together with the original records in each case, including Amildars' reports and Deputy Commissioner's orders thereon. It was also directed that this List should show: (I) amount due to Government, (II) date of Sale, III Name and occupation of

the purchaser, (IV) Assessment of the land, and V. the price for which it was sold.

2. The Nagar Commissioner, in now submitting the Lists called for, together with Vernacular Proceedings in each case, states that no orders were issued from this Office sanctioning the Sales.

3. It would appear there were 395 cases of sale in the Division since 14th August 1877: viz

50 in the Shimoga District.
4 in the Kadur District.
341 in the Chitaldroog District

An abstract Statement prepared in this Office is herewith submitted

Shimoga District.

4. The 50 Sales in the Shimoga District were on account of arrears due from the *marginally noted Talukes. In 3 cases no immoveable property was sold, and of the remaining 48 cases, 24 belonged to the famine affected Talukes of Shimoga,

6. In the Channagere Taluk there were no bids in 2 cases, and in the remaining 6 cases the sale proceeds amounted to Rs. 46-10-"

7. In the Taluk of Honnali there were no bids in 2 cases; and in 13 cases the amount realized was Rupees 227-10-"

8. In the remaining 4 Talukes of the Shimoga District, the results of sale were as shewn in the subjoined Statement:-

Nagar.	2	6. 8. "	No bid in 1 case.

9. The number of cattle sold throughout the whole District

was 15, and the sale proceeds realized amounted to Rs. 66-2-6.

10. The Deputy Commissioner states that orders for the sale of land were given by him as usual without reference to the Commissioners' Office, and that no remissions were made evidently on the strength of the Chief Commissioner's Proceedings No. 1573 dy 853 14th August 1877.

11. Major Hill further states that the sales in the Shimoga and Chennagiri Talukes were not confirmed owing to the receipt of the recent Circular, and that no exception need be taken to the sales in the Malnad Talukes as the Ryots have not suffered from famine.

12. The Deputy Commissioner promises, that further enquiry will be made with respect to the means of the former holders in the 12 instances in the Honnali Taluk in which lands have changed hands.

Kadur

5

Kadur District.

13. In the Kadur District only 4 cases have been reported, viz. 3 in the Chickmuglur and 1 in Koppa Taluk. In the Mudigere and Lakkavalli Taluks there were no cases of sale. The Deputy Commissioner states that reports from the 2 other Taluks of Tarikere and Banavar have not as yet been received.

14. In the 3 cases of the Chickmuglur Taluk, the Sale proceeds amounted to Rs. 50-4-, and in the Taluk of Koppa a Sum of Rs. 51 was realized on account of an outstanding balance of Rs. 48-3-6, but it is not known whether or not orders were issued confirming the Sale.

15. With regard to para 2 of the Chief Commissioner's Proceedings No. 8843/42 dt 14th January 1878, the Deputy Commissioner of Kadur, states that coercive

measures do not appear to have been adopted extensively in the aforesaid Talukes.

16. Adverting to the remarks of the Chief Commissioner in para 2 of his order No. 1573/858 dt 14th August 1877, the Deputy Commissioner reports that no orders have been issued.

Chitaldroog District.

17. In this District there were 342 cases of sale, as noted in the margin. In most of the cases of the Dodderi Taluk, there were no bids. In 70 cases only the sale proceeds realized amounted to Rs. 428.

18. In the Davagada Taluk there were bids in all the cases except one, and the amount realized was Rs. 151-8-8.

19. There was but one case in the Hiriyur Taluk, which fetched Rupees 3-8-0.

20. In all the cases of the Chitaldroog Taluk there

were bids, and the total amount realized was Rs. 78—14—4.

21. In the Hosdroog Taluk there were only 3 cases of sale, in which a sum of Rupees 3—4—" was realized.

22. Out of the 53 cases of the Davangere Taluk, there were sales only in 19 cases which fetched Rs. 151—8—8, there being no bid in the remaining cases.

23. In the Honkuppa Taluk where there were 46 cases, in all of which there were bids, the sale proceeds amounted to Rupees 370—8—"

24. In almost all the cases in which immovable property was attached the defaulters had no other property. It is evident that the defaulters were really unable to meet the Govt demand. Most of the lands sold fetched little or nothing and the sale proceeds in some

cases were a mere
trifle. The Deputy Comm

a wise discretion if
in most of the cases

Minute No. 2644.

The former sales all took place in 1877 before the issue of Existing orders, but it is matter of great regret & surprise that in the deplorable circumstances of the last year no course should have been had in Chitral deemed to such harsh & extreme measures. I await further report in this subject.

DG 29/8

25 As requested in para 7 of this office letter (Circuit) No. 1 of the 2d. September 78, the Comr. reports upon the sales held for arrears of revenue in the Sankeshwar Taluk. There was only one case in which the defaulter's land was put up to auction. The defaulter was a brahmin from whom Rs. 45.1.11 were due for the year 1876-7. He is reported to have had no other property. At his own request, as recorded on the back of the notice of demand issued by the Amildar in April 77, his garden assessed at Rs. 53.9.9. was, with the Dy Comr's sanction, put up to auction on the 3d. Decr. 77; and fetched Rs. 465. The garden was then formally made over to the purchaser, and the balance of the purchase

money, after deducting the arrears due, inclusive of notice fees & interest, amounting in all to Rs. 72, paid to the defaulter Soob Rao.

26 The defaulter complained to the Dy Com^r about the deduction made by the Taluk authorities on a/c of notice fees and interest on the ground that these items had been remitted by the Chief Commissioner, but was informed in reply that his request for a refund of the amount could not be accepted to.

27. The Comm^r finally states that another reminder has been issued to the Dy. Com^r requesting the early transmission of the list of sales in the Banawar Taluk.

The question of the remission of notice and interest is submitted for orders. The interest might have been remitted

Sir,

With reference to your cir: No 549 dated 23 5/4 January last and reminder No 671 dated 16th March last, I have the honor to submit a statement shewing the cases in which land and cattle were sold for the recovery of revenue arrears from 14th August up to date of the Chief Commrs Proceedings No 8843/42 dated 14th January 1878.

It will be observed that the number of cases in which lands were put up to auction was 46 for revenue arrears amounting to Rs 923-9-0

The result of the sale shewing the Assessment of the lands and the sale proceeds &c is exhibited below for the three Jamma affected and for the other Talukas separately.

	Number of cases	Assessment of land sold	Sale proceeds	Remarks
Shimoga	1	17	"	No bid
Chanagiri	8	207-4-0	46-10-0	no bid in 2 cases
Honnalli	14	230-13-0	227-10-0	no bid in 2 cases
	23	455-1-0	274-4-0	

	Number of cases	Assessment of land sold	Sale proceeds	Remarks.
Shikarpur	8	173-4-"	131-8-"	No bid in 5 cases but in others the proceeds greatly exceed the assessment.
Sorab	8	176-4-"	51-8-"	No bid in 5 cases, in others the amount realized exceeded the Assessment except one case.
Sagar	5	90-"-"	31-10-"	No bid in 3 cases and in one case the amount was far less than the assessment.
Nagar	2	29-"-"	6-8-"	No bid in one case while in the other the amount was much less than the Assessment.
	23	468-8-"	221-2-"	

The number of cattle sold was 15; they fetched Rs 66-2-6.

The orders for the sale of the land was given by the then Deputy Commissioners as usual without reference to your office, and no remissions were made evidently on the strength of the Chief Commissioner's Proceedings No $\frac{1573}{853}$ dated 14th August 1877. It may be mentioned however that the sales in the Shimoga and Chanagiri Talukas were not confirmed

confirmed owing to the receipt of the recent circular, and that no exception need be taken to the sales in the Sunkaad Talukas as the ryots have not suffered from famine. Further enquiry will however be made with respect to the means of the former holders in the 12 instances in the Kannalli Taluk in which lands have changed hands.

I avail myself of the present opportunity to request to be informed as to whether the withdrawal of the power of Deputy Commissioners to sanction the sale of lands applies to the Sunkaad Talukas, as since the receipt of the Chief Commissioner's Proceedings many purposely withhold payment under a supposition that the demand will not be pressed.

Sir I am directed to acknowledge the receipt of your docket No 278/67 dated the 29th June 1878, with which you forwarded statements shewing sales held for arrears of Revenue in the Shemoga, Chitaldroog & ~~Part of~~ Kadur Districts

2. Mr Gordon regrets to be obliged to characterise the proceedings of Major Armstrong, Deputy Comr of Chitaldroog, as harsh and inconsiderate. In the Dodderi taluk there were 196 sales held, and in only 70 of them was any ~~thing~~ bid made at all; ~~In~~ in Davangeri there were bids in 19 cases out of 53; it seems quite clear then that, in many instances, the ryots had no means of paying, and yet their lands were sold, and they ~~ryots~~ deprived, during a period of unexampled

severity, of their only hope of recovery from ruin. And this too without bringing any counterbalancing benefit to the Government*

4. The talukas in which the greatest number of sales were held are Doderi, Davengeri, Kaulenppa and Pavagud, and I am to request that you will call upon the Amildars of those talukas to explain whether, in submitting the cases of the defaulters particularly, or at other times generally, they represented the condition of the ryots, and brought to the attention of the Deputy Comm". the fact that the defaulters occurred entirely through the prevailing famine.

5. In the cases of lands sold and transfered, the sales of which have been confirmed, it will very rarely be possible to reinstate the dusted

* These sales were all held in 187 before the issue of orders rel- stricting the D.C's power, it is matter of great regret and surprise that, in the deplorable circumstan of the past year, recourse should have been had in Chitaldroog to such harsh & extreme meas and that the necessity of with drawing D.C's powers & selling defaulters' lan should have received t painful exemplificate It is possible that the case of some these defaulters may not have b real inquiry or h ship to them, - b with the informat before him Mr G can only come to Conclusion abou expressed. He w be glad to recei further informa that may give to of these cases a ferent complex if, in justice to Armstrong & to Amildars concer such is capable being furnishe

occupant; but where the sale has not been confirmed this can be done, and where the late occupant, or his heir and representative, is at hand, and wishes to be reinstated, if ~~this~~ should be done, with due regard for the interests of ~~the intending~~ purchaser, in those cases where an informal possession of the land has been given him pending sanction to the sale. The ryots who were ousted from their lands for which no bid was made (or their heirs) should, if desirous of re-occupying the land, be at once restored to the occupancy, provided the land is still available. ~~Government waste~~

6 These instructions do not refer exclusively to the four talukas above mentioned but to all cases where the circumstances shew that the default was due to the pressure of famine

and I am to ask you to 15
be particular in impressing on the Deputy Comrs the necessity of redressing so far as can be the hardship done those ryots whose lands were sold.

7. The Chief Comr desires that the effect given to these orders be reported, and he awaits the submission of the lists of sales in the talukhs of Banawar and Tarikere.

Sir,

With reference to the correspondence ending with your docket No 4914/56 of the 24th Ultimo, I have the honor, in submitting a copy of this office Proceedings No 8 dated 18th Instant for the information of the Chief Commissioner, to state that a further report will be made when a reply has been received from the Deputy Commissioner Chitaldroog.

2 With reference to para 4 of your letter Cir No 1 of 25th September last, I beg to observe that the vernacular records show that, as remarked in para 5 of these proceedings, the Amildars did not omit to describe the condition of the defaulters when submitting their cases to the Deputy Commissioner.

3 Major Armstrong's error probably was in giving to other pressing matters the time and attention which should have been expended on a careful exam-

nation

examination of these cases.

4 I can vouch for the anxiety of that officer to perform with as little handness as possible the difficult duty of securing some revenue for Government, and at the same time discriminating between real and pretended destitution.

Proceedings of the Commissioners appointed
dated 18th October 1878 -

1. Read again letter circular No 1 of the
2nd December 1878 from the Secretary
conveying the Club Commissioners'
observations on the Statement of Sales
Tax for arrears of Revenue in the
Matabeleland, District since 14th
August 1877, and Order of the Court
of the 22nd restricting the powers
Commissioners' power of Cancelling Sales

2. The Statements include 342
cases, of which complete Records
are not forthcoming for 51 Cases
specified in the annexed list I - The
Commissioners therefore request
that the Inspector Commissioner will be good
enough to obtain and forward
full Records of the said 51 Cases.

3. The Records of the remaining
291 cases have been thoroughly

examined, and disclose the following results -

I. In 8 cases, the defaulters though able to pay were attempting to evade payment.

II. In 35 cases, the defaulters were dead - In some of these cases the defaulters had left no heirs at all, and in some the whereabouts of the heirs were unknown

III. In 13 cases, the defaulters were dead, and their heirs had run away from the villages.

IV. In 114 cases, the defaulters had deserted their villages and nothing was known regarding their whereabouts -

V. In 7 cases, the defaulters were Government Servants such as Chambrayne, Dolel &c

VI. In 101 cases, the defaulters were destitute of means to pay their Cauvayem -

VII. In 13 cases, the defaulters were

3

were dead and their heirs were impoverished.

Para 4. In the first 5 classes of cases, the Commissioner thinks that the Course pursued by the Deputy Commr. was unobjectionable.

5. As regards 114 cases comprised in the 6th and 7th Class, the Deputy Commissioner acted without discrimination in resorting to Coercive measures. In every one of these cases, the condition roll attached to the Records describes the distressed state of the defaulter, or the heirs of the defunct Puttadar. From Para 9 of Captain Cummings letter No 539 of the 11th inst since received, it appears that these sales have already been confirmed by the Deputy and Assistant Commissioners, and cannot therefore be set aside. In 68 out of these 114 cases, there were no bids at the sales, and the lands are therefore at the disposal of the

Government. A list specifying the said 68 cases is annexed, and it is requested that the Settlement Commissioner will adopt immediate measures to restore the lands to the defaulters or their heirs if they are willing to re-occupy them, provided that the lands are not already taken up by others by means of Durkhasts. In the 46 cases in which lands were purchased by others, the Settlement Commissioner will at once enquire whether in any of these cases the purchasers have not yet obtained formal possession of the land pending sanction to the sale, and if so, whether the late occupant or his heir wishes to be reinstated on the condition of paying the purchasers the amount that he has paid the Government. In such cases immediate effect should be given

2B

given to the Chief Commissioner's orders contained in the Secretary's letter quoted in the first paragraph.

6 The Deputy Commissioner should bestow his early attention on the subject, and report the result of his enquiries and proceedings at an early date.

7. Ordered that a copy of these proceedings with enclosures as per margin be forwarded to the Deputy Commissioner, Chittaldroog District for attention and compliance.

Rev. No. 4

With reference to para 7 of his letter Circuit Dis: 1 of the 2nd September last, has the honor to report that in the Larkana Taluk there was only one case in which the defaulter's land was sold for arrears of revenue. It would appear that the defaulter had no other property except the land which at his own request was put up to auction and formally made over to the purchaser long before the receipt of the Chief Commissioner's Order dated 2nd Sept. 1878. The records of the case are herewith forwarded.

Order thereon.

The sales of land for arrears of revenue in the Banavar Talukh alone amounted to 153. The Officers concerned have therefore clearly laid themselves open to the animadversions passed in this Office letter of the 20 Septr 1878, Circuit No 1, on ~~the~~ similar proceedings in the Chitaldroog Dt. ~~&~~ the lands appear to have been all since restored to their former owners, no further notice seems required.
